Description

This a charming home sits on a large corner lot in St. Andrews Place. Tastefully decorated with an open floorplan, you will be able to entertain with ease. Show off your style with the crown molding, wainscoting, Tigerwood floors & decorative columns separating the living room from the formal dining area. The home is wired for surround sound (receiver, remote, & speakers stay!) There is a den off of the kitchen along with a built in desk area. The kitchen features a center island, double ovens, maple cabinets & tile floors. The master suite features French doors & a big master bathroom. There are separate vanities, a jetted corner tub, nice sized shower & a large walk-in closet. Enjoy evenings on the covered deck. There is a 3 car garage along with a storage shed in back for all of your outdoor equipment. Built in sprinkler system helps keep this landscaped yard in tip top shape. The full walkout basement is ready for you to design & finish as you please. It's a classy home!
